

# **ANZAC DAY 2008**

***An excellent commemoration thanks to Cheryl Leach, Grazing and the GCA Village Monuments Group***

The growing tradition of the Gundaroo Dawn Service and Gunfire breakfast was held with a great community turn out, as well as visiting military personnel, this ANZAC day. The event, in its 4<sup>th</sup> consecutive year, was coordinated by the GCA Village Monuments Subcommittee and thanks are extended to Clive, Michael and Rob for an extremely well organised service.

This year was especially moving because of the live musical accompaniment provided by Cheryl Leach and the strong military presence and bugelist attending from HMAS Harman. Wreaths were laid by the GCA, the Gundaroo School and the military visitors and several games of Two-Up are rumored to have gone on long into the afternoon.

Grazing continued their excellent support with a complimentary Gunfire breakfast and a fund-raising, catered breakfast and the GCA thanks management for their generous disbursement. The ANZAC Day Dawn service has established a firm place on the Gundaroo calendar and if you have yet to experience a Dawn Service Gundaroo style, makes a big effort to get along next year.
