

GUNDAROO COMMUNITY ASSOCIATION JULY UPDATE

What is the GCA?

The object of the association is “a balanced and sustainable future for Gundaroo village and surrounds which preserves and enhances its sense of community, rural character and heritage and natural environment”. More information on the GCA including annual reports, vision plans, 2007 objectives and minutes of meetings is available on the weblink (see below).

What’s in it for you?

You can voice your opinion in a community centric forum. The more people that do this, the greater the sum of the voices becomes. With enough support, Gundaroo can accurately and adequately let the council know its opinion. Furthermore, your ideas can add to the planning of the future Gundaroo.

What’s in it for the GCA?

The GCA needs your support to ensure we can represent village issues with local government and others. Annual Subscriptions for GCA members AND ALL OTHER VILLAGE RESIDENTS AND LANDOWNERS are invited to renew or establish their membership. Membership may be effected by completing the form available on the weblink and returning it to the GCA Secretary (c/Post Office) together with an annual subscription fee of \$5 per member. Please make cheques payable to “GUNDAROO COMMUNITY ASSOCIATION inc”.

The Gundaroo Community Association weblink can be found at: <http://gca.gundaroo.info>

ANZAC Day 2007

The GCA has received fantastic follow-up comments on this years Village ANZAC Day activities from folks within and outside the Village. Best reports are that about 120-130 attended the Dawn Service and appreciated the address from subcommittee member Michael Carew (RAN). Thanks are also being sent to the School in recognition of the student who did an outstanding job with the “Flanders Fields” reading and to the ADF Chaplain, CHAP Steve Gunther and his, HMAS HARMAN donated, wreath layer SMNEW Nick Heffernan who contributed so well to the Service.
