Conditions of Registration

Gundaroo Social Soccer (GSS) operates as a sub-committee of the Gundaroo Community Association. Participation in this activity is designed as a social event for community benefit. So while GSS operates under certain limited liability insurances, the continued viability of the activity depends on observation of some key principles.

Supervision

- A parent or guardian must be present at all times.
- In exceptional circumstances where a parent cannot avoid a temporary absence, an official of GSS must be notified.

On-field safety

- All players must wear shin pads at all times.
- No metal studs may be worn; plastic studs are acceptable.
- All jewellery must be removed before playing.
- In the event of unsafe conduct on field or misuse of equipment by any player, GSS officials may temporarily suspend that player.

Off-field safety

- Parents/guardians are responsible for the safety of those under their care at all times
- Particular attention is drawn to safety in and around the oval car park: GSS does not exercise control over vehicle movements around the oval.

Fees

- Registration for the 2007 season is \$20 for individual players, with a \$40 cap for families/guardians registering more than 2 players.
- Fees are non-refundable.

As the Registering Party, I have read, understood and I agree to the Conditions of Registration.
